will be played at the Park tonight. Everybody that wears noisy, squeaky shoes to this play will be marked with that "BRAND OF CAIN" for disturbance.

Our \$3.50 Shoes are squeakless; they have the style and wear; and are sold on a small profit. We want to raise CAIN with our \$3.50 Men's Shoes—if we're ABLE.

**THE CHRISTIAN CHURCH.**—Dr. Rice will preach in the Christian church tomorrow at 11 o'clock, but there will be no evening services. Sunday school will convene at 9:45 a. m.

**BAPTIST CHURCH.**—At the Baptist church Sunday morning will be held the Sunday school session at 9:45 o'clock. The B. P. Y. U. will meet at 7 o'clock in the evening. The two preaching services will be omitted.

**PRESBYTERIAN CHURCH.**—At the Presbyterian church Sunday morning, August 18th, there will be Sunday school at 9:45 a. m., and Rev. H. H. Mayo of Florence will preach at 11 o'clock. Christian Endeavor meeting will be held at 7 p. m.

**TOO MUCH WATER.**—The Bisbee Review says Dos Cabezas was nearly washed away by the recent rains. All over Sulphur Spring valley the small dry lakes which have seen only a small supply of water for years, will now swim a horse and are running over into the larger one between Wilcox and Cochise.

**STRUCK BY LIGHTNING.**—The residence of Wm. Tomlinson was struck by lightning a few days ago and destroyed by the fire which followed. It so happened that all members of the family were absent at the time, therefore escaping injury. The striking of a house by lightning is a very rare occurrence in Arizona.

**GRAND LODGE I. O. G. T.**—The tenth annual session of the grand lodge of Arizona, I. O. G. T., will convene in Bisbee on Wednesday, the 28th inst., unless it is later date. So many people are away from this valley at this season of the year that it is difficult to secure the full delegations from the subordinate lodges, and the heavy rains in the eastern part of the territory have kept the railroads so badly washed out that travel is uncertain. The matter of postponing till about January 1st being considered by the executive committee.

**NOT AN ELK.**—The Review says one A. M. White, grand organizer of the order of Eagles, created a stir among the Bisbee herd by attempting to pass himself as an Elk during his stay in Bisbee last week. Some of the newly made Elks were imposed upon in this manner, but on Saturday night a few old bucks tested him and found him sadly deficient in the secret work. He was "roasted" to a turn by an old member of Globe lodge of Elks, who discovered the imposition. White left town next morning, presumably for El Paso, and

local lodges throughout Arizona and New Mexico have been notified to look out for him.

**BOUND OVER.**—Santos Quijada was bound over to the grand jury yesterday by Court Commissioner Crenshaw on the charge of adultery.

**ACCUSED OF INSANITY.**—Complaint has been made in probate court charging Kate Phelps of Mesa with insanity. She will be given a hearing today.

**MORE RAIN.**—About 11 o'clock last night there was a short but heavy wind storm in this city, followed by an electrical demonstration, and that in turn was followed by a heavy rain, which continues at the time of writing.

**M. & P. WASHOUT.**—At last report the M. & P. bridge is still standing, though the pile is yet very high. The company was enabled to make the transfer at the bridge yesterday morning and last night with but little delay, though it cannot be repaired to permit the running of trains over it till the water goes down some.

**A LETTER FROM HOME.**—A letter has been received at this office from J. V. Edwards, who is now in Kenton, Oklahoma, in which he asks that the address of his paper be changed to Mineral Springs, Ark., where he will be in a day or two. He says "It's just like a letter every day from home, the best country I have seen so far, even if it does get hot and stays hot for a while."

**THE END OF SPORT.**—Mr. Vernon L. Clark, the commissioner of immigration, took to the board of supervisors yesterday a lion scalp which he said he acquired while he was stopping at Billy Cook's ranch. When Clark got to killing mountain lions the slaughter ceased to be sport and the venatorial performances of Vice-President Roosevelt and Governor Murphy are very much cheapened.

**PROBATE COURT.**—A. E. Remien has been appointed administrator of the estate of James Fox and his bond fixed at \$7000. A hearing was had on the partial account of T. K. Elvey, administrator of the estate of Josephine Elvey, and the matter was taken under advisement. In the estate of the minor heirs of Burdita Gilmore, of whom Susan Hedgpath is guardian, the following appraisers were appointed yesterday: B. R. Ellison, A. Fredericks and John R. Whitton. The third annual account of the administrator of the estate of James Murphy was filed and set for hearing on September 4.

**JUSTICE GRAY'S COURT.**—Abraham Abil who was arrested Thursday on the charge of stealing chickens was tried before Justice Gray, yesterday, and acquitted. Five suits were filed against the Gold Lode Mining company by as many different men, charging the company with misdeemeanor in refusing to pay them their wages. The names of the plaintiffs and the amounts claimed are: Ed Wright \$65.75, Jerry Roberts \$28.55, J. H. Asgard \$18, Arthur T. Moore \$11.30 and O. Bala \$18.25. They claim to have been discharged August 7th. The cases were set for trial August 27th.

**NEW CORPORATIONS.**—Articles of the following corporations were filed in the office of the county recorder yesterday: The Colorado River Gold and Copper company, capital stock \$1,500,000, incorporators E. S. Gannon, E. H. Little, R. L. Coates, P. E. Vestal, A. R. Wilson, A. D. Stockwell and J. D. Spence; the Bismarck Copper Mining and Milling company, capital stock \$1,250,000, incorporators L. D. McCall, H. A. Hull and J. R. Hastings; the Curtis Evans Mining and Milling company, capital stock \$1,000,000, incorporators T. D. Evans, J. L. Shaw, W. C. Shaw, J. E. Robbins, F. A. Schumacher and E. W. Tolbert of Pittsburgh.

**NEW BASE BALL TEAM.**—Mr. Mansfield of the firm of Mansfield & Rhodes, has organized a new base ball team, to be known as the Mansfield & Rhodes team, and of which Mr. Mansfield will be the manager. Roy McCarthy has been chosen for captain and the following is the line up of the team: Catcher, McCall, c; Graham, 1b; H. McCarthy, 2b; Hatcher, ss; Hickson, 3b; Loring, cf; Slater, cf; L. McCarthy, lf. Their first game will be played Sunday afternoon on the West End ball grounds with the Crackerjacks, a Mexican team. The new organization is composed of the young ball players of the city, but they are good ones and expect to make a record during the coming season.

**A STORY ABOUT HATS.**—A day or two ago Dr. Hawley made a call at the Phoenix hospital, while wearing a brand new six dollar hat. When he mounted his wheel to return a heavy wind was blowing. The tile was gently lifted from his head and soared into the heavens so far the doctor could not follow it with his eye without twisting his neck off. So he made no effort to recover it.

but pumped on toward his office feeling that he would be lucky if he got there before the threatening rain set in. As he turned the corner at the Hotel Adams he saw a woman's hat sailing through the air, and, reaching out his hand, he caught it on the fly. If any lady was so fortunate as to catch his hat he will willingly trade with her.

**INDIAN MARRIAGE LICENSES.**—A marriage license was issued out of probate court yesterday to Calvin Emerson and Ellen Williams, both Indians of the Sacaton agency. The application was made by Rev. Mr. Gill, the missionary, who said that under the United States law which became effective July 1, and which was passed to encourage civilized matrimony among Indians, the agent of any agency was authorized to issue licenses. There was to be no charge. In the absence of the agent at Sacaton Mr. Gill corresponded with the department and received a reply stating that the licenses might be issued by any court or officer authorized by state or territorial laws to issue licenses to white persons. There was, however, no provision for making a charge in the case of Indians. License was also issued to David H. Jones and Mary Webb of Lehi.

**DR. RICE'S SUCCESSOR.**—Mention was made recently in these columns of the resignation of Dr. W. D. Rice from the pastorate of the Christian church of this city on account of ill health. A successor has been chosen by the church in the person of the Rev. Imri Zumwalt, for two years and at present pastor of the church in Herington, Kansas, and who will begin his labors in Phoenix about September 15th. Mr. Zumwalt is a young man, unmarried, and is very highly spoken of by those acquainted with him, both as a pulpit orator, a pastor and a man. He has several personal friends residing in the valley and it was largely upon their recommendation that the call was extended. Dr. Rice has greatly endeared himself to the members of his congregation during his short pastorate of ten months, and great regret is expressed at his departure. But the condition of his health demands a rest and he has decided to take it. He has not fixed the date of his departure and will continue to occupy the pulpit at 11 o'clock on Sunday morning while he remains in the city.

## A QUICK LUNCH ORDER

Which Frank Kirkland Has Coming at a Phoenix Restaurant.

One of the most popular orders for a quick lunch at Coffee A's place is a cup of coffee and a small. Patrons of that place know that, but the knowledge of just what a small is does not seem to be widely disseminated in this city among the catering fraternity. Frank Kirkland, who is almost always in a hurry, got unusually rushed the other day and thought he would not have time to go down the street so far for his lunch, so he dropped into another eating house, and when the waitress set a glass of water and a rankin before him he gave his usual quick lunch order.

At the mention of "small" the young lady looked pained and seemed to think for a minute that he was joking her, as evidently the only kind of a small she had ever heard of was that famous historical bird that lost the race with a land turtle. But she looked wise and retired to the screen in front of the kitchen. Then she motioned to the other waitresses and a hasty consultation followed, resulting in the whole force retiring to the kitchen to lay the matter before the cook. The cook was either no better posted or felt like joining Mr. Kirkland in the joke on the girls, so he told them what to say to the guest.

The waitresses who took the order, with a most pleasing smile on her face returned to Mr. Kirkland and told him that they were just out of snails; that they had a large force of men at the coast engaged in digging them and that they had a car load coming down from San Francisco by boat, but that it was tied up by the strike. Mr. Kirkland then ordered a fried cake.
